

GHIN Registration Form

Use this form to obtain a USGA Handicap Index® through the Golf Handicap and Information Network (GHIN) system.

Maintained by the USGA, GHIN is the world's largest handicap computation service. With a GHIN index, you can post your scores online at GHIN.com or at any GHIN computer kiosk, which are located at almost every golf course.

As a service to our members, the Cincinnati Chapter offers GHIN registration through the Greater Cincinnati Golf Association (GCGA) for a fee of \$20 per year. (This is up from \$17 and is the first GCGA increase since 2007.)
