COMMITTEE DESCRIPTION

MEMBERSHIP COMMITTEE

The Membership Committee is a great way to get to meet everyone in the Chapter! Assist with recruitment of new members and retention of existing members; greet new members at events, help plan and implement ongoing membership welcome and orientation programs.

LEADERSHIP COMMITTEE

Do you like to make a difference and assist in the future leadership growth of your Chapter? The Leadership Committee helps link people's natural gifts and talents to the needs of the Chapter. They work to continually develop Chapter leaders by assisting Committee Chairs with finding committee volunteers and grooming them for a future leadership role on the Board, a necessary step that will take the Chapter far into the future!

COMMUNICATIONS COMMITTEE

The Communications Committee is a great way to be in the know! This team works with all other committees and Chapter officers to keep members informed and encourage their participation. They're also responsible for Chapter publicity and conducting the annual survey of members. They maintain and update the Chapter Website and prepare and distribute email blasts and the Chapter's quarterly newsletter.

GOLF EVENTS COMMITTEE

Do you enjoy planning and running successful events? Never planned an event, but would like to? Then Golf Events is for you! This team plans and implements organized play opportunities in addition to league offerings for players of all skill levels.

LEAGUE DEVELOPMENT COMMITTEE

One of the most popular forms of organized play is league play. Be a part of the team that plans and delivers this popular offering that goes a long way towards member satisfaction.

SPONSORSHIP COMMITTEE

Are you a natural at sales or marketing? Have great connections and love making new ones? The Chapter needs you! Besides a small percentage of membership dues, sales of sponsorships and advertising is the Chapter's only other source of income. And the more we can generate, the more we can do to help defray participation costs and enhance the EWGA experience for all of us. This is a great way to serve fellow members *and* build relationships in the community!

SOCIAL EVENTS COMMITTEE

Are you a people person? A natural networker? This is a great way to get to know the members of the Association by promoting fellowship and business networking. This committee plans an array of non-golf activities to meet members' needs.

EDUCATION COMMITTEE

Know a lot about golf? Or, do you want to learn more about the rules of golf? Join the education committee and assist with coordinating golf education opportunities for players of all skill levels.

HANDICAP COMMITTEE

Be a part of the effort to help other golfers obtain and maintain a handicap. The Handicap Committee educates members on the need for handicaps and assists members in establishing and maintaining a handicap.
