

Dear EWGA Member,

Since professional golf returned to Cincinnati three years ago as a stop on the LPGA Futures Tour, our Chapter has showed strong support for these young women competing for their chance to play on the LPGA Tour.

This year, the Teva Championship arrives at Kings Island the week of June 7...and **they could really use our help to fill many still-open volunteer spots**. A variety of assignments are available, but **the most-urgently needed** are:

**Walking scorers:** Walk the round with one player group, recording their scores on a scoresheet.

**Standard bearers:** Walk the round with one player group, carrying a 'standard' that shows each player's current score.

**Marshals:** Work as a team with 2-3 other volunteers at one hole, where you'll help manage gallery traffic and noise as player groups play the hole.

**Caddies:** *Calling all husbands, brothers, sons, and guys-next-door!* Carry one player's bag throughout the tournament—start Friday and hope your pro is in Sunday's final pairing!

**Other volunteer opportunities include...**

Housing hosts    Parking Assistants    Main Gate Attendants    Cart Drivers  
 Realtime Scorers    Nine-hole Scorers    Leaderboard Scorers

All volunteers receive a logoed Adidas golf shirt and cap to wear on duty. As is the case at almost all PGA Tour and LPGA Tour events, volunteers are asked to pay a fee to defray uniform costs and allow the tournament to maximize its charity distributions. The Teva Championship volunteer fee is just \$25. The tournament's 2010 charity partner is the Ohio Valley Chapter of the National Multiple Sclerosis Society.

**ProAm play: Wed/Thur (June 9-10)   Tournament play: Fri/Sat/Sun (June 11-13)**

**Please act quickly!**
